The cover design is one of my prize winning baskets of Dahlias, which caused a sensation at the Nineteen Twenty-Seven Dahlia Show of the Dahlia Society of California. :: ::

It stood four and one-half feet high ; and the flowers are the glorious John Meussdorffer, named for my father, a California Pioneer, who planned the beautiful grounds and the garden in which I raise my dahlias. He was a great lover of flowers and raised many dahlias. The John Meussdorffer Dahlia is also named for my brother who was a dahlia enthusiast, and spent many hours among his beloved flowers. :: :: :: :: :: ::

See the description among the Peony Dahlias in this catalog on Page 5. :: ::

John Meussdorffer - My new 1928 Introduction-has been rated 2nd of the Outstanding New 1928 Introductions on the Pacific Coast by the Great Authority On Dahlias,- Alex Waldie.
